Insurance Provider

This insurance is provided by Aspen Insurance UK Limited

Purpose of the Insurance

This insurance provides cover for all categories of membership of Countryside Alliance for their legal liability

- 1 As an Employer, for bodily injury caused to an Employee, and
- 2 Out of bodily injury of a person who is not an Employee and for property damage of property not belonging to the member arising whilst participating in a "Recognised Activity".

Other Insurance

This insurance only operates where there is not another insurance policy in force covering the same liability. Where alternative insurance is in force covering your liability arising from an incident (such as home insurance, pet or equine insurance), you must submit your claim under that policy. If such alternative insurance has the same "Other Insurance" clause as this policy, you must notify Howden who will liaise with the other underwriter concerned so that agreement can be reached on how liability should be shared between the two policies.
